Da'naxda'xw First Nation Members

We have received requests from members to schedule a meeting of our First Nation. It was our intention from our membership meeting years ago to continue to keep our membership meetings on a regular basis, for this lack of continuity we do sincerely apologize. As one of Da'naxda'xw/Awaetlala Nation's Hereditary Chiefs, I, as well as the Council will schedule a Membership meeting for a date that will accommodate as many members as possible. To that end, we will be scheduling this meeting at Tsatsisnukwomi Village. This will give our membership an opportunity to come home and see how our "Old Village" has changed and to hopefully be a part of it's future. We ask members to contact the Administration office to submit possible dates that they are available. We will email, fax, mail our membership when we have a definite date for this important meeting.

Sincerely,

William Glendale
Hereditary Chief
